Congresswoman Capps (D CA-24): Jim Vreeland was contacted by Greg Hass (Dist Dir) regarding the possibility of their office placing an, "EPA actions in the 24th District" button on the Congresswoman's home-page. With so many actions (Greka, Halaco, Casmalia, etc) they thought that it would be a good resource for folks on the central coast to know what EPA's doing in the area. This may be the first time that an R9 member would have a link to our web site. We will work to make this happen.
